

Personal Injury

Burr & Forman represents individuals, businesses, and their insurers in personal injury and wrongful death cases throughout the country. Our group of experienced litigation attorneys is dedicated to handling claims and cases involving bodily injury.

Some of the areas where we defend clients include:

- Automobile/trucking accidents
- Brain and spinal cord injuries
- Burns and fire injuries
- Premises liability (including slip & fall)
- Subrogation
- Uninsured/underinsured motorist claims
- Workplace/industrial accidents
